

EU DECLARATION OF CONFORMITY
for use of lighting in IFS, BRC, HACCP certified environments

Veko Lightsystems International B.V.

Declares under sole responsibility that the products:

Magnus Series | Magnus Series (EM) | Duncan Series | Duncan Series (EM) | Cador

To which this declaration relates is in conformity with the following directives and standards:

EN 60598-1:2021 + A11:2022 | EN 60598-2-1:2021 | EN 60598-2-22:2022 | ISO 9001 | ISO 14001

Following above standards the mentioned product families fulfil specifications and requirements which apply in particular to topics related to impact resistance, prevention of contamination and cleanability of the luminaire.

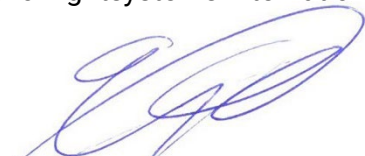

- IK & IP-classification
- EG 852/2004
- HACCP, BRC, IFS and FSSC requirements
- RoHS Directive

Therefore a positive Food Safety certification with regard to lighting as part of the whole system is expected. Successful certification depends on applying the right product within a certain situation, the right choice of luminaires is important for the intended situation (see below table). For a guarantee of the maximum prevention of breakage or other damage within the lifetime of the light product, the user instructions must be observed per model and per application area. Terms of use are set per product and can be found on our website

Minimum recommended	Open Products			Packed Products		
	Production	Cold Storage	Storage	Production	Cold Storage	Storage
IK Value	IK10	IK07	IK07	IK07	IK07	IK07
IP Value	IP65	IP54	IP54	IP54	IP54	IP54

This declaration is valid for 1 year after issue for the products mentioned above and as long as the products have not changed in the meantime.
